

## **PRESS RELEASE**

### **Dachser Far East turnover reaches US\$283 million in 2012**

**Hong Kong, 3 May 2013.** Dachser closed the 2012 financial year in the Far East with strong turnover at US\$283 m (HK\$2.2 bn) an increase of more than 9.7 per cent when compared to the previous year's total of US\$258 m. Total shipments reached 216,100, including air freight and sea freight.

"Overall we are very pleased that we have increased our turnover in a challenging year affected by the Eurozone crisis and also a slow down in volumes. It demonstrates how robust our business is in the Far East, we have an excellent platform to continue our growth strategy in 2013," said Edoardo Podestá, Managing Director of Dachser Far East Ltd.

DACHSER is present in 19 locations across the Far East region and employs some 700 staff. Services include air and sea freight forwarding, trucking, value added services, warehousing and distribution, contract logistics projects and intra Asia freight services.
