

Diversified Port Holdings Fully Acquires Pacorini Global Services

July 16, 2013: Effective May 31, 2013 Diversified Port Holdings (parent company of Seaonus and Portus) reached an agreement to acquire 100% of Pacorini Global Services in New Orleans, LA. Although operated by DPH since 2007, 50% ownership remained with the Pacorini family. Now, Pacorini Global Services has fully transitioned into the Seaonus family of companies under the new name Seaonus Stevedoring–New Orleans LLC.

Terry Brown, President of DPH, is excited about the acquisition and believes it will allow DPH to improve operational effectiveness in the Gulf and better position DPH to achieve future growth plans.
