

# Texas Shuttle: New Intermodal Service Between Port of Houston and Dallas

*First Northbound Train - April 3, 2013*

Union Pacific is pleased to introduce the first and only intermodal service between the Port of Houston (Barbours Cut) and Dallas, Texas, allowing European and Latin American shipments to move seamlessly on dedicated train service.

- Fast, reliable truck-competitive service
- Dependable supply of equipment and known schedules for consistent reliability
- Service offered two days per week in each direction
- Most environmentally-responsible way to transport freight - 75% less carbon emissions when rail is utilized
