ESSENTIAL CONTENT

The JOC Group covers trade, logistics and transportation the way its readers look at their supply chains — from the factories in Asia and farms in North America, across oceans and through distribution channels to end customers. Our team of reporters, editors, researchers and economists are the respected voices of the freight transportation industry. They are part of the global conversation: leading panel discussions at conferences, engaging in dialogue on social networks, and providing unique insight and in-depth understanding of complex issues.

JOC EDITORIAL TEAM

PETER TIRSHWELL, Executive Vice President/Chief Content Officer — A prominent thought leader in container transportation with more than 20 years at The Journal of Commerce. His coverage of international trade and transportation is unmatched. Following Peter's columns and daily Twitter posts will provide you with valuable insight on the industry's most important trends. [@PeterTirshwell](#)

CHRIS BROOKS, Executive Editor — A 30-year journalist, Chris's career has touched on every facet of the editorial operation, from editing and writing to layout and design. He has overseen the day-to-day operation of the JOC magazine and Web site for much of the last decade, upholding and advancing the superior editorial standards for which The Journal of Commerce is known. [@cbrooks_joc](#)

BARBARA WYKER, Managing Editor — Barbara has been with The Journal of Commerce for 40 years. She coordinates all magazine and online production and makes certain to maintain accuracy and style in all content provided to our readers. [@bwyker1](#)

JOE BONNEY, Sr. Editor — Joe is The Journal of Commerce's expert on the complex and vital topic of Transportation Finance and Economics. He has been a senior reporter in transportation for 30 years. He also is co-author of "The Box That Changed the World," a historical look at containerization published in 2006. [@JosephBonney](#)

PETER LEACH, Sr. Editor — Peter started covering international trade for The Journal of Commerce in 1973. He provides extensive insight into the business of shipping and is a recognized expert on the financial, operating and strategic fundamentals of shipping and ports. [@PeterTLeach](#)

WILLIAM B. CASSIDY, Sr. Editor — William is the foremost journalist covering trucking and supply chain technology today. His coverage of trucking, expedited transportation and domestic supply chains provides readers with insight into key trends that affect bottom lines. A frequent speaker at industry events, William is also instrumental in developing the program for the annual JOC Inland Distribution Conference. [@wbcassidy_joc](#)

BILL MONGELLUZZO, Sr. Editor — A 30-year veteran covering the shipping industry, Bill is the pre-eminent journalist covering the trans-Pacific trade, intermodal rail and ports. MARK SZAKONYI, Sr. Editor — Based in Washington, Mark brings real-world meaning to the trade and transportation policy issues debated in Congress. A native of Chicago, he earned his master's degree in journalism at the University of Missouri, with a focus in computer-assisted reporting. Mark speaks frequently at industry events and assists in the programming of numerous JOC conferences. [@Szakonyi_JOC](#)

MARIO MARENO, Economist — Mario's forecasts through a period of unprecedented economic turmoil have been uncannily accurate. He has a clear understanding of the key economic indicators that drive international trade and transportation. He brings macroeconomic trends together with analysis of crucial shipping data to provide need-to-know intelligence to all sides of the shipping world. [@MarioMoreno_JoC](#)

ANNIE ZHU, Asia Editor — Annie joined the JOC editorial team in 2013 after serving as brand manager and editor of PPI China at RISI, a JOC sister company in the forest products sector. Based in Shanghai, Annie relies on years of experience to cover the trade, transportation and supply chain markets in China. She also is an integral part of the the programming team for the JOC's annual TPM Asia Conference in Shenzhen.

HARRY G. BUTLER, Sr. Editor, Digital — Harry joined the JOC editorial team in February 2012 and was named senior editor, digital, in January 2013. He is responsible for the day-to-day operation of JOC and brings to it an in-depth knowledge of the railroad industry. [@hgbutler](#)

MARSHA SALISBURY, Research Editor — Marsha is a veteran insider of the shipping industry with experience in sales and business development. She has unique expertise in developing and analyzing data, and utilizes it to create the JOC's By the Numbers section and numerous port and carrier rankings in the magazine and in monthly reports. [@MarshSalisbury](#)

ALESSANDRA G. BARRETT, Special Projects Editor — Alessandra has managed special projects for the JOC since 2007. She works closely with advertisers to produce special advertising sections, supplements and custom print publications, as well as lead generation program content such as sponsored videos, webcasts, podcasts and white papers. [@AGBarrett_JOC](#)

LISA SANTERAMO, Associate Trade Data Analyst — Lisa joined the JOC in late 2012 to bring insight and analysis to the JOC's data efforts. She works closely with PIERS and several outside companies to create meaningful and actionable data-centric projects that help readers make informed decisions on everything from pricing to planning. [@Santeramo_JOC](#)

GRACE M. LAVIGNE, Associate Web Editor — Grace writes news briefs about transportation and logistics issues for the publication's online editions from the Newark, N.J., office. The New Jersey native graduated from the University of Maryland, College Park, with a bachelor's degree in Linguistics, after internships with a daily trade newspaper in Washington, D.C., and as a business media professor at Columbia University. PRINT MAGAZINE

Build your brand with display advertising in the magazine that is considered an “industry essential” by the logistics and supply chain professional, The Journal of Commerce. Since 1827, The Journal of Commerce has been the most trusted source of intelligence for international logistics executives to help them plan global supply chains and better manage day-to-day transportation of goods and commodities in the United States and internationally. This information is delivered through news, analysis, case studies and perspective pieces.

Distributed bi-weekly to nearly 14,000 subscribers, The Journal of Commerce’s target audience is comprised of nearly 50% shippers and nearly 30% logistics services. Align your marketing campaigns with our related content for optimal results.

Pricing: See Page 9 for more details and rates.

DIGITAL MAGAZINE

The JOC Digital Edition is a biweekly online publication that includes all the content from The Journal of Commerce print magazine, with additional functionality and branding opportunities. Every two weeks, we distribute to an audience of North American and international logistics professionals, comprised of nearly 14,000 subscribers. The open rates for the JOC Digital Edition are just under 30%, with an average click rate over 5%.

Use your advertisement in the JOC Digital Edition to:

- Drive qualified traffic to your website through ad clicks.
- Include an audio or video message.
- Conduct a survey.

Pricing: Digital Edition Blow In-Cards / \$2,000 per edition

ADVERTORIALS

The JOC offers print and online advertorial options to help get your message out to your target audience.

SPECIAL FOCUS ADVERTORIALS

Print, Online, and Combined

Throughout the year, The Journal of Commerce runs many special reports and sections in the print magazine that focus on trending topics, regions experiencing growth or change, and other areas of top concern to our readers. Some of these are Special Advertising Sections, which provide companies with an opportunity to go beyond a display ad via: brand extension into the pages of the JOC, editorial coverage among leaders in a particular region or service category, and partnered content that can be used independently in your marketing.

CUSTOM ADVERTORIALS *Print and Online Publications*

If you do not want to share the limelight, a Custom Advertorial allows you to be the sole advertiser in a print or online special section or supplement. Employ the resources of the JOC marketing services team to create a custom publication, section or online advertorial product that promotes your product launch, service expansion or company anniversary. The JOC editorial team will offer guidance on content, design and vision of the advertorial itself, and manage the production process from A to Z for you. Once completed, the JOC will distribute the advertorial to our select, qualified audience of logistics professionals, while reprints and digital editions will provide your business with compelling cross-branded marketing collateral.

Pricing: Contact your Sales Representative

DIRECTORY OF TRANSPORTATION

Published biannually and distributed with The Journal of Commerce magazine, the Directory of Transportation is an up-to-date reference tool for those involved in the movement of international cargo through the U.S. The directory is also available in digital format online. Each issue has a six-month shelf life.

Pricing: Contact your Sales Representative

REPRINTS / E-PRINTS

The JOC offers a full reprint service, which allows you to license articles for academic and business use. Reprints and e-prints are effective educational or promotional tools, and add credibility to your marketing and sales efforts.

Use reprints for:

- Handouts at trade shows, conferences, sales presentations or employee training.
- Attachments to e-mails or press releases.
- Direct mail or corporate brochure enclosures.
- E-Print (PDF) on a website to establish credibility.

EVENT SPONSORSHIPS

JOC Event Sponsorship presents your company as a thought leader. By supporting the JOC Events, our sponsors are helping to make our conferences a valuable and memorable networking and learning experience for their customers and colleagues. Not only are sponsorships a great way to get your company name and sales message in front of the attendees in a powerful and unique ways (webcasts, roundtables, session sponsorships for example), sponsorship dollars help pay for special events that are included throughout the event.

JOC Events in 2014 will include TPM, TPM Asia, JOC Inland Distribution Conference, Port Productivity and more. Please visit joc.com/events for updates.

LEAD GENERATION SERVICES

The JOC offers tailored lead generation packages to suit your needs — you can choose to include some or all of the media listed below in your package. We work with you to deliver a guaranteed number of leads from your package.

VIDEOS

Video is an innovative way to present your brand and message. A short impactful video can add a multimedia option to your marketing campaign. Video is highly effective in brand building and lead generation.

SPONSOR EVENT VIDEOS

As part of our event sponsorships, we offer video interviews of your key executives on-site at JOC Events. Our Special Projects Editor will work with you to craft a compelling message. We will edit and produce the video to be posted on JOC.com

LEAD GENERATION VIDEOS

We can place your video behind a registration form on JOC.com and collect leads for you. We'll drive traffic to the video for you using our vast audience of logistics professionals.

SPECIAL TOPICS VIDEOS

The JOC editorial team regularly produces videos on special topics, and we can include your sponsor message at the beginning and end of the video.

CUSTOM VIDEOS

Align your message with the power of the JOC content team ... we can help you put together thought leadership videos on specific issues and topics. We'll help you with the content and handle the production/editing and drive traffic to the video on our Web site.

PODCASTS

Generate leads from an audio podcast that allows you to discuss the details of your company's offerings. Podcasts are popular with our audience — they are easy to access and can be a great source of sales-ready leads.

CUSTOM ADVERTORIAL PODCASTS

Position your company as a thought leader with a custom podcast series. Our Special Projects Editor will work with you to pick a topic and create scripts for 5-minute podcasts as well as descriptive text for marketing purposes. The editor will interview and produce the audio recordings, providing a final review before deployment. Our marketing services team will promote through e-blasts and newsletter links to ensure the right audience and guaranteed number of leads.

ADVERTORIAL PODCASTS

Throughout the year, The JOC produces advertorials with print and online components. These offer advertisers bonus coverage in the form of an interview and company profile in the print magazine and an online feature such as a podcast. Scripts for these podcasts are created by the Special Projects Editor based on information discussed in the preparation for the print article and offer advertisers an opportunity to provide a more in-depth analysis or follow-up to one of their observations or quotes on the advertorial topic. These podcasts can be used independently on your website as well.

WEBCASTS

Through year-round webcasts, The Journal of Commerce provides dialogue and in-depth analysis of timely issues vital to the workings of the transportation industry. JOC Webcasts extend the reach of the magazine's top-level editorial coverage to a multimedia platform with live events addressing all aspects of the supply chain. Based on your market and objectives, we can put together the best webcast solution to suit your goals, powered by the market-leading brand and editorial team. We will put our industry expertise to work for you.

The JOC offers three types of webcasts:

EDITORIAL WEBCASTS

Throughout the year, our award-winning editorial team organizes webcasts covering exclusive and timely topics. Take advantage of our existing editorial webcast series to align your brand with the leading content in the sector. Our editors lead topic creation and recruit speakers, analysts, and other experts, while our audience development experts drive traffic to the webcast. Each webcast will have a maximum of three co-sponsors.

EXCLUSIVE SPONSORSHIP — \$9,000 per webcast, with 250 guaranteed leads

CO-SPONSORED (3 maximum) — \$3,000 per sponsor, with 250 guaranteed leads (total)

VENDOR WEBCASTS

Accelerate your sales cycle with a vendor perspective webcast, which allows you to take full advantage of our powerful audience development capabilities while taking control of the content of the webcast. We provide complete audience development, marketing, production and project management as well as a professional moderator to manage the discussion with your presenters.

Pricing: \$9,000 per webcast, with 400 guaranteed leads

CUSTOM WEBCASTS

Educate your customers and establish a thought-leadership webcast, which can be used to position your company as a thought leader in the sector. We put one of our editorial team members to work with you, to consult with the topic, give editorial input and deliver the right audience. This webcast will have ONLY one sponsor.

Pricing: \$9,000 per webcast, with 400 guaranteed leads

PRINT SPECIFICATIONS

DIGITAL REQUIREMENTS (PREFERRED)

Disks or electronically e-mailed ads should be accompanied by all fonts and the original "native" file format (e.g., Photoshop CC, Illustrator CC, Indesign CC for Macintosh, as well as EPS files). Include a high-resolution proof created from digital files (Kodak Approved, Fuji, Iris). Photographs, minimum 300 dpi resolution and CMYK only. Electronic submission is preferred. Digital advertisements are preferred since we cannot accept film for digital versions.

Supplied electronic files and proofs will be stored by publisher for 13 months and then destroyed unless otherwise notified by the advertiser or agency. Call for more information.

PRODUCTION INFORMATION CONTACT

Shipping instructions for advertisement orders and materials, insertion orders and proofs should be sent to: **Attn: TRACEY FIUZA • tfiuzajoc.com • (973) 776-7826**
The Journal of Commerce • 2 Penn Plaza East, 12th Floor • Newark, N.J. 07105

GENERAL CONDITIONS:

- 1. AGENCY DISCOUNT:** Commission on display advertising 15% to recognized agencies; net 30 days. No cash discount. Commission not allowed on cost of artwork, negatives, printing, reprints, backup of Inserts. A late charge of 1 1/2% per month will be added to any balance unpaid 30 days after invoice date.
- 2. SHORT RATES AND REBATES:** Advertisers will be short rated if, within a twelve (12) month period from date of the first insertion, they fail to use the number of insertions contracted for, and on which applicable frequency rate was determined for billing purposes. Rebate will be made during the same period if lower rate is earned by additional insertions.
- 3. RATE PROTECTION POLICY:** When the new rates are announced, contract advertisers will be protected at their contract rates for the length of the current contract.
- 4. PUBLISHER'S PROTECTIVE CLAUSE:**
 - a. All advertisements are accepted by the publisher entirely on the representation that the advertiser and/or agency is authorized to publish the entire subject matter thereof. It is understood that in consideration of the publication of advertisements, the advertiser and/or agency will indemnify and hold harmless the publisher from (and against) any claims or suits for libel, right of privacy, plagiarism, copyright infringement, as well as for any other claims or suits based on the contents or subject matter of such publication.
 - b. Publisher reserves the right to discontinue publication at any time with or without notice, or to defer or cancel the printing, publication or circulation of any issue or of the tendered advertising. It shall not be liable for any failure to print, publish or circulate all or any portion of an issue or of the tendered advertising because of labor disputes involving the publisher, printer or others, transportation delays or embargoes, errors, or commissions of employees or subcontractors, or circumstances beyond its control.
 - c. Publisher's sole obligation as to any failure or default on its part shall be limited to a refund of its charges that may have been paid to it or, as its option, to publish the tendered advertising in the next available issue.
 - d. The publisher reserves the right to reject or omit any advertising for any reason. No advertising will be accepted that simulates The Journal of Commerce editorial material.
 - e. Publisher reserves the right to cancel a contract upon default in payment or unpaid charges either by advertiser or agency. Advertising agencies are fully responsible for all advertisements placed by them. Rates are subject to change without notice.
