**Direct ChassisLink Inc. Names Ron Joseph
Senior Vice President Of Operations**

Charlotte, North Carolina; January 11, 2013 - Direct ChassisLink Inc.(DCLI), a leader in the chassis transportation field, has named Ron Joseph as its new Senior Vice President of Operations.

"The operational expertise Ron brings will strengthen our ability to meet the needs of our customers," noted Bill Shea, Chairman and CEO of Direct ChassisLink Inc. "Ron Joseph's comprehensive understanding of the transportation industry will greatly benefit DCLI and our clients."

Before joining Direct ChassisLink Inc., Mr. Joseph oversaw the operation of TransX USA which is an operating unit of The TransX Group of Companies, where he was responsible for managing and growing the business.

Prior to TransX USA, he worked for FedEx Ground a multi-billion dollar operating unit of FedEx as the Senior Vice President, Linehaul, Safety and Maintenance.

Mr. Joseph has earned the President's Club Award three times. He also received two FIVE STAR Awards from FedEx, was the American Trucking Associations' Safety Director of the Year Award winner and developed and led programs which won his company the President's Award for Safety from the American Trucking Association in 2004, 2000 and 1996.

Mr. Joseph has an Associate Degree in Applied Business from Youngstown State University.
